BA CATERING
Exclusive Private Jet Catering Korea

About us

Founded in 2016, BA Catering is the first and only exclusive private jet catering company serving private jets based in South Korea. We offer the highest level of quality catering, amenity supply, laundry and dish washing services in airports throughout the country.

BA Catering is dedicated to transforming your ordinary in-flight meal into a 5-star hotel dining experience. With experienced cabin managers and flight attendants from executive private jets and world leading airlines, our team understands the exact needs and expectations private jets have.

We know how and where to hit the spot. With culinary and expertise provided by top chefs in the field, BA Catering delivers the finest quality meals right to your seat in the sky.

Our Expertise

Our premium catering service begins with consultations with BA Catering's experienced team, who understand how to tailor our offerings to meet your private jet's needs.

We are the only private catering provider capable of delivering services directly to the galley.

Our caterers who reside at the airport are ready to deal with any requests from the plane airside promptly and timely.

All our services comply with Korean regulations and laws and we are passionate about delivering operational excellence to our customers, so you can relax and enjoy your time in South Korea with BA Catering.

Our Commitment & Mission

Started by a simple question to why in-flight meals could not be as exclusive and glamorous as the experience on a private jet itself can be, BA Catering was founded. Our mission is to deliver the meal that you would drive hours for, the meal that you would take your loved ones on a special night to. With any of our unparalleled catering options, you can rest assured that BA Catering will take care of all your needs with personalized, top-quality catered meals and services.

Our Service
